Picacho Peak State Park

P.O. Box 275, Picacho, AZ 85241

Phone: (520) 466-3183 Fax: (520) 466-7442

Dear Couple:

Thank you for considering **Picacho Peak State Park** as the location for your wedding.

If you are looking for an outdoor setting that showcases the beauty of the Sonoran Desert, our park might be the perfect backdrop for your plans.

Depending on your needs, a variety of locations are available throughout the park for your wedding. Have you envisioned a ceremony under the sweeping arms of a giant saguaro cactus? Or do you keep coming back to a certain location in the park that is especially meaningful to you? Are you up to the challenge of hiking to the Top of the Peak to be rewarded with breathtaking views on your special day?

Weddings can be customized to accommodate your specific wishes.

A number of our smaller shade ramadas offer a casual setting for a smaller scale wedding (up to about 50 people). Some are reservable in advance. There are also larger group areas that can accommodate up to 200 people. Please refer to the Group: Day Use information on the Facility page of our website for details, and call ahead for availability. Reservations can be made up to 365 days in advance.

Please note that the park does not provide any additional seating, tables, canopies, or other facilities for these areas during your event. All fixtures and decorations must be portable. No fixtures may be permanently attached or decorations be planted and no part of the ramada(s) and/or group area may be permanently altered in any way.

A Special Use Permit may be required for weddings that involve the use of caterers, amplified music, beverage services, or other commercial help, or for ceremonies that require the temporary closure of all or part of the park's resources to the public.

Please keep in mind that your guests will be entering a State Park and therefore will be required to pay the entrance fee upon arrival at the park. If you prefer, a group payment can be arranged for these fees. Please contact the park directly for more specific information. We would be happy to assist you with any questions you may have.

Sincerely,

Picacho Peak Staff
